

Cleaner Communities Day

Hosted by CIWM Tuesday 2nd July 2019 – DW Stadium Wigan

Now in its 3rd year CIWM's 'Cleaner Communities' day equips both the private sector and local authorities with up to date information on aspects of street cleansing. The 2019 event will focus on current hot topics such as procurement, health and safety, data and fly-tipping. This niche event, specifically tailored for like-minded resource and waste management professionals, is the perfect opportunity for sector leading exhibitors to network with an audience of key decision makers involved in the world of street cleansing.

Who Should Exhibit

Providers of Road sweepers, street cleaning equipment, municipal vehicles, street furniture, street lighting equipment, signage, vehicle hire, bins, waste recycling centres, waste management companies and local community street cleaning projects to name a few!

Who Attends?

The day is free to attend for individual delegates and is relevant to both local authorities and the private sector. 'Cleaner Communities' is significant to a wide range of professionals across the resource and wastes sector and provides exhibitors with an opportunity to network with a relevant and engaged audience.

Examples of a range of delegate job titles from 2018 include;

- National Municipal Hire Manager
- Waste & Recycling Manager
